**SENZA MECCANICA
DECKLESS**

Dymage M305DL è un sistema di intrattenimento compatto ed estremamente affidabile.

La configurazione "deckless" (senza meccanismo) lo rende particolarmente adatto ad un uso in situazioni difficili con vibrazioni e sbalzi di temperatura.

The Dymage M305DL is a highly reliable compact entertainment system.

The "deckless" configuration allows to use it in critical situation with vibrations and strong temperature floating.

MONITOR LCD

Monitor 3" 16:9 LCD

Luminosità: 200 Cd/mq

Risoluzione: 480 (W) x 272 (H)

Angolo visivo: Dx/Sx: >120° , Up: >30° , Down: >60°

AM/FM TUNER

AM/FM tuner con Radio Data System (RDS) e radio text

Best Station Memory (BSM)

Gamma Frequenze: 522-1620 KHz (AM) 87,5-108 (FM)

A/V CONNECTIONS

1 ingresso A/V

2 uscite video

1 ingresso video commutabile per retrocamera

5 uscite audio pre RCA (2 x front + 2 x rear + subW)

CARATTERISTICHE AGGIUNTIVE

Controllo touch-panel

I-Pod® ready (solo mp3)

USB

Amplificatore 4x40W

Connettore ISO

Telecomando IR multifunzione

Frontalino flip down

LCD MONITOR

3" 16:9 LCD monitor

Brightness: 200 nits

Resolution: 480 (W) x 272 (H)

Viewing angle: Dx/Sx: >120° , Up: >30° , Down: >60°

AM/FM TUNER

AM/FM tuner with Radio Data System (RDS) and radio text

Best Station Memory (BSM)

Frequency range: 522-1620 KHz (AM) 87,5-108 (FM)

A/V CONNECTIONS

1 A/V input

2 video output

1 rear view camera automatical switching video in

5 channel RCA pre-out (2 x front + 2 x rear + subW)

ADDITIONAL FEATURES

Touch-panel control

I-Pod® ready (mp3 only)

USB

High Power 4x40W amplifier
