MOBILE INTERNET. The promotions can be activated until 13 January 2013. For Pay as you go customers all Internet options have an activation cost of 5 euro, FREE on promotion for new customers. For Pay monthly customers there is no activation cost. With All Inclusive and Internet No Stop, following 1 GB of monthly Internet traffic, customers continue browsing at a maximum speed of 32 kbps. With Mega Unlimited, browsing speed is reduced for monthly traffic exceeding 10 GB. The INTERNET NO STOP PROMOTION can be activated by texting PROMO NO STOP SI to 4033 from the Pay as you go SIM or MicroSim included in the pack. All Inclusive on promotion is reserved for new or existing customers with a Pay as you go SIM who purchase a Wind Smartphone and activate the SUPER SMARTPHONE promotion by calling 4224 from the new phone. Super Smartphone is also valid on new BlackBerry® Smartphones on the Wind price list from 3 September 2012 and labeled with the promotional stamp. THE PROMOTION FOR NOI, SUPER NOI AND ALL INCLUSIVE CUSTOMERS is valid for customers who request the activation of Internet No Stop or Mega Unlimited, who are subscribed to, or simultaneously activate, and keep active one of the following plans on the main SIM for the entire duration of the promotion: All Inclusive, Super Noi, Noi Tutti, Noi Tutti SMS Big, Noi Wind, or Noi Tutti International, in any version (including those that can no longer be subscribed to) except Noi 2 Unlimited, Noi Wind Social and Noi Wind Messaggi. For customers with All Inclusive options who activate Internet No Stop or Mega Unlimited, Internet speed will be reduced for traffic exceeding 2 GB or 11 GB respectively. The Mega Unlimited promotion, reserved for customers who purchase a USB Modem Stick or a Pay monthly Data SIM, involves the activation of the SUPER INTERNET UNLIMITED promotion. The promotion can be activated on the Pay as you go SIM contained in the pack and applies automatically when the new Pay monthly Data SIM is activated with the Mega Unlimited plan. ALL INCLUSIVE. The promotion that discounts the monthly fee of the Pay monthly All Inclusive plans for 5 years is valid for customers who switch to Wind and keep their number or for customers who activate a new number by 13 January 2013. Domestic traffic. Following 1 GB of monthly Internet traffic, customers continue browsing without additional costs at a maximum speed of 32 kbps. Internet traffic included in the plans does not cover BlackBerry® Smartphone traffic. To browse on your BlackBerry® Smartphone, activate BlackBerry® No Stop. The customer is required to pay the Government Concession Tax equal to 5.16 euro a month for private use and 12.91 euro for business use. 5 ANNI X TUTTI. The promotion discounts the monthly fee of the Pay monthly All Inclusive plans for 5 years. It can be activated until 13 January 2013 at Wind Stores only; the cost is 15 euro for customers with a Pay as you go SIM who switch to a Pay monthly All Inclusive or free for customers who already have a Pay monthly All Inclusive and switch to one of the new plans. A plan change made by an existing customer who has an active promotion that discounts the cost of the Government Concession Tax will result in the deactivation of the promotion itself.
